saladcreations  
share some goodness

**Salad Creations** was developed to meet the growing needs of the lifestyle minded consumer who desires a great, fresh, delicious meal as an alternative to the typical fast food available today.

If you have ever dreamed of owning your own business with a low investment, ease of operation and reasonable hours, consider Salad Creations.

Salad Creations offers exceptional quality and value. From our innovative look to our unique selections and exceptional customer service, our customers enjoy a unique, fresh dining experience.

Salad Creations is committed to growth and has plans to bring the Salad Creations experience to consumers across North America.

To ensure your success, we offer:

- Training and support
- Continuing operational support
- Investment and financing assistance
